3:30                      (Special) Closing Eucharist – Cathedral  
4:30                      Depart in Joy

## Workshops:

- a. What is an Instructed Eucharist and How to Lead One (Escalante Rm.)** - Consider the impact of knowing Why We Do What We Do. Why does the Confession come before the Peace, and the Peace come before the Eucharist? These and many other fascinating liturgical questions are answered in an Instructed Eucharist, where each part of the service is given a brief description before it happens. Hear of the impact it has on the congregation and leave with a great resource.
- b. The Very Walls will Sing - The Stones themselves will Sing (Wasatch Rm.)** Explore a variety of ideas that allow for lifting up the heart of different services and seasons in varied and impactful ways: Advent, World Communion Sunday, Brown Bag Christmas Pageant, Holy Hilarity Sunday, the (endless) Sundays of Bread passages...
- c. Acts of Joy for every congregation (Escalante Rm.)** - Simple ideas to incorporate into worship that every congregation can do. This is the workshop to come to if you want to explore small actions with a big impact.
- d. Music that Makes Community (Wasatch Rm.)** Our facilitators will continue the work with a teaching session using a 'learning lab' approach. This is a fantastic opportunity to learn from folks who are transforming worship all over the church and out in the world!
